

PGA OF CANADA
Saskatchewan Zone

**Merchandise Show
October 23rd – 24th, 2018
Hall B North
Prairieland Exhibition Park, Saskatoon**

The P.G.A. of Canada - Saskatchewan Zone will once again be hosting a Buying Show this Fall. Invitations will be sent to all of our Zone PGA member clubs as well as those affiliated with Golf Saskatchewan. We will also be allowing any qualified buyer admittance into the Show at no charge, provided they have registered in advance. Buyers can access the registration form at www.pgasask.com.

The initial booth 10 x 10 ft price includes pipe and drape, 1-8ft table and 2 chairs, 1 –120v, 15amp electrical outlet and wireless internet access. For those requiring more than a 10 x 10 space, the additional booth prices include only the pipe and drape. All other material handling, booth and display requirements can be arranged through the official show supplier – Hub City Display (306) 653-3705. A complete list of extra services and related charges is attached.

We have shortened the duration of the show to 2 days. This decision was based feedback we received about the amount of business conducted on the third day and the desire to stay at the Prairieland facility despite our increasing costs. The total Show hours will be very similar to 2017 but condensed into two days instead of three.

Initial 10 x 10 booth	\$1,200.00 plus \$60.00 gst = \$1260.00
Additional 10 x 10 booths	\$800.00 plus \$40.00 gst = \$840.00

All booth registrations must include full payment before they will be confirmed.
